

17-535376 – The Wall Street Banquette features a unique cubist style and angular designed back. The back rest floats on steel supports, while the base and seat are held from below on tubular steel legs. The standard 19” seat depth provides for the perfect sit and function. This design is available for any type of customization or modification to meet your specification.

Dimensions: 38”H 71 ½”W 24”D 18”SH

Presented in a custom stain on rift cut oak veneer and blackened steel legs.
